Experience

2003	SV Partners Director
2001	Hall Chadwick Insolvency Accountant
1998	Ferrier Hodgson Insolvency Accountant

Significant Engagements

- ▶ Appointed Controlling Trustee and Subsequently Trustee to a family of four who had personally guaranteed debts from companies they operated in the agricultural industry. The four debtors submitted a joint Personal Insolvency Agreement proposal to their creditors and were successful in executing and satisfying the proposal which resulted in a return to creditors where no return would have eventuated if the debtors had submitted petitions for bankruptcy.

Significant Engagements cont.

- ▶ Traded three powder coating businesses which operated in Toowoomba and Brisbane in order to secure sales of the businesses as a going concern. The sales ensured the majority of the company's workforce were offered employment and the company's secured creditors received a significant return.
- ▶ Traded a company's business in the building industry which was located in Roma, Queensland to ensure the company's work in progress was completed. The business was ultimately wound down but the completion of the company's projects ensured a return to the company's creditors.
- ▶ Traded a company's business in the real estate industry and successfully realised a sale of the company's business as a going concern, which ensured the company's workforce were retained and offered future employment, the company's secured creditor was paid out and there was a return to the company's unsecured creditors.
- ▶ Appointed Bankruptcy Trustee to a number of individuals and worked with them to put forward Section 73 proposals (post bankruptcy) to enable them to provide a greater return to creditors than that which was available in their bankrupt estates and ultimately to annul their bankruptcies.
- ▶ Appointed Bankruptcy Trustee to a number of individuals and worked with them to realise their interest in real property which would ensure a return to the creditors of their estates.
- ▶ Appointed Liquidator to a company which operated in the building industry and recovered numerous preferential payments into the liquidation which facilitated a fair and equitable dividend distribution across the company's creditors.
- ▶ Traded two hotels and successfully marketed the businesses for sale as a going concern. The sale enabled a greater return to the company's creditors than if the businesses had ceased trading and the limited assets were sold at auction.
