Daniel was born and raised in the Hunter Region of NSW, graduating from the University of Newcastle with a Bachelor of Commerce. His desire to understand what makes businesses tick later led to his qualification as a Chartered Accountant and additional studies in Business Restructuring, Turnaround Management, Insolvency and Bankruptcy law.

Now an Associate Director at SV Partners with over a decade of experience, Daniel manages a team specialising in corporate and personal insolvency appointments. When engaged to act, Daniel understands there are often a number of parties experiencing high-stress and that it can be an emotional time. Daniel employs common sense, empathy and respect for all those involved in the insolvency process.

When he is not working, you will find him chasing around his two sons, rocking out on the piano, 'trying' to keep his lawn green, partaking in Monopoly arguments or learning other languages.
