Jason has specialised in the insolvency and turnaround industry for in excess of 23 years, after starting his career with a specialist and advisory firm in 1997. He then joined Hall Chadwick (QLD) in 2002, with the insolvency and turnaround division of Hall Chadwick (Qld) commencing practice as SV Partners in 2003. Jason was part of the SV Partners team in Brisbane before moving to the Sunshine Coast office in 2012.

Jason specialises predominantly in insolvency appointments for small to medium businesses, individuals, partnerships and companies. Jason is recognised as a leader in Personal Insolvency, specialising in all relevant matters and insolvency arrangements.

Since becoming a registered trustee in 2006, he has been appointed to 1,000 personal insolvency appointments.

### Experience

August 2022 - current	SV Partners Director
March 1997 - August 2022	Worrells Solvency & Forensic Accountants Manager

### Significant Engagements

Jason has significant experience across personal and corporate insolvency matters. He has handled the personal insolvency appointments of a number of high profile Queensland business people, has been responsible for recovering and paying all funds back to creditors on numerous administrations and has traded on businesses resulting in the successful sale of the business for the benefit of key stakeholders. His industry experience extends across the Retail, Hospitality, Building and Construction, Automotive, Transportation, Manufacturing, Computer and IT, Engineer and Printing sectors.
