Malcolm has over 20 years' experience in personal and corporate insolvency plus more than 5 years in business management in the road transport industry with a National carrier in NSW, QLD and WA. He is a strong advocate for negotiated outcomes over formal assignments where possible and is well regarded for his professional values including his cost-conscious mindset, considered and straightforward commercial advice and value-added client outcomes.

Outside of the office, he has enjoyed the challenge of renovations and the satisfaction they bring but will take travel within WA and beyond over these ever day of the week.

Significant Engagements

- ▶ Selby St Pty Ltd - court appointed liquidation – over 4 years, sought to preserve 5 residential units worth upwards of \$2.5M that were the subject of complex, albeit void claims by third parties.
- ▶ Turco bankruptcy including court pursuit of an allegedly void transfer of \$3M in assets.
- ▶ Allweld Engineering Pty Ltd – landlord with security for its claim appointed “voluntary” administrator. Insolvent trading and other claims pursued.
- ▶ Spinwest Holdings Pty Ltd – liquidation of significant fruit/vegetable processor.
- ▶ Managed investment schemes.
