Initially, Paula's career started at SV Partners from 2007 to 2011, where she gained her knowledge and insolvency experience on key firm projects. Paula re-joined the SV Partners Brisbane team in October 2019 and leads a team of professionals specialising in both Corporate and Personal Insolvency appointments. Paula's experience allows her to provide solutions for businesses that achieve the greatest return for stakeholders.

Prior to starting with SV Partners Brisbane, Paula spent time working at the Queensland Police Service (QPS) as an Investigative Accountant and brings her unique investigative skills developed during her time at QPS, in her role as Manager.

Experience

December 2007 - current	SV Partners Associate Director
----------------------------	-----------------------------------

Significant Engagements

With extensive experience in property receiverships and voluntary administration trade on appointments, Paula has demonstrated skills in managing business operations, in investigating asset realisations and liaising with industry bodies on complex matters, including Banks, government departments and Body Corporates.
