Stuart has 28 years of experience in business recovery and insolvency mainly in Adelaide but also working in London and Hong Kong.

Stuart has managed numerous unique and often complex corporate and personal insolvency matters across numerous industry sectors. I have undertaken work on corporate and personal insolvency matters in both formal and informal appointments. Stuart has his specialisations but he considers himself more of a generalist than industry specialist.

Stuart has also been involved in numerous business reviews, investigating accountants reports and due diligence reports.

Stuart commenced with SV Partners in 2019 upon the formation of the Adelaide office.

Stuart enjoys the diversity of work we undertake, solving problems we encounter and working with the respective stakeholders to achieve the best outcome in the circumstances.

Outside of work, Stuart is an avid sport watcher across a variety of sports from AFL to cricket to EPL.

Industry Expertise

- ▶ Hospitality
- ▶ Agriculture

Significant Engagements cont.

- ▶ Managing the receivership of Smart City Solutions Pty Ltd which provided “smart” bins to a number of councils around the country, but predominantly to City Of Melbourne. Following an unsuccessful sale campaign, we negotiated the sale of the business and assets to the secured creditor with all the employees at time of sale transferring over.
- ▶ Managing the administration/DOCA of Royal Life Saving Society Australia – South Australia Branch including trading on, negotiations with government in relation to assignment/novation of grant program to the National branch ultimately leading to successful delivery of a state wide vacation care swimming program, sale of a non core business unit (including a property), in which creditors received 100c in the dollar and control of the association was returned to its board.
- ▶ Preparing an Investigating Accountant’s Report for a confidential client (including presentation to its CEO and key people) on a significant creditor and tenant facing solvency issues. Following the recommendations of the report, the confidential client provided a restructure of the loan and a reduction in rent which has led to a positive outcome for all parties/stakeholders.
- ▶ Managing the liquidation of Riverland Fruit Cooperative Ltd, including complex litigation, in which creditors received 100c in the dollar and interest.
- ▶ Managing the controllership of the Freedom Adelaide Meridien Hotel, including sale of the Hotel.
