Terry has over 33 years of insolvency experience specialising in all forms of Personal and Corporate administrations, having worked nationally across a broad range of industries, and with businesses of all sizes. Terry commenced his professional career in 1988 working for a firm of public accountants in Wollongong, New South Wales. Opportunities presented themselves soon thereafter and he commenced working for a small firm of insolvency practitioners.

After working for various insolvency firms he joined Ferrier Hodgson New South Wales in 1994 and remained there for 10 years. Terry then moved to Queensland and joined SV Partners as a senior manager in June 2004. Terry has been working in the Queensland insolvency industry ever since. He became a director on 1 July 2007.
